CORAM: HONOURABLE MR. JUSTICE VIJAYENDRA NATH
ORAL ORDER

12 01-04-2013 Heard the learned counsel for the appellant. Perused the office note. This appeal has already been dismissed by order dated 20th September, 1999. It appears that the Interlocutory applications for substitution(I.A.No. 5197/12 and I.A.No. 5198/12) have been filed praying for substitution of the heirs of the deceased appellant and some of the respondents. After dismissal of the appeal these Interlocutory applications are obviously not maintainable.

However, the learned counsel for the appellant submits that M.J.C.No. 1692 of 2013 has been filed on behalf of the appellant for restoration of this appeal.

As such, the appeal is consigned till the decision on the restoration matter is taken.
